F.No.15(11)/Lab/2019 / 567 - 569

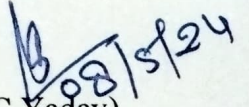

Dated:- 08/05/2024

CIRCULAR

As the day time temperature in Delhi has crossed more than 42 degree Celsius and severe heat wave condition prevails, all the establishments/factories/shops/construction sites are advised to make the following arrangements and take precautions at the work place as under –

1. Ensure adequate Clean Drinking Water availability at the work place.
2. Ensure availability of Cooler/Fans at the work place.
3. Sensitizing/imparting training to the workers/employees about the precautions to be taken during the heat wave conditions including covering of their head during direct exposure to sunlight etc.
4. Make emergency kit (Ice packs, ORS, etc.) for the construction workers/employees.
5. Change the shift of work as far as possible, to avoid peak hours (12 - 4 PM)
6. Report any case of heat related illness to nearby health facility/hospital.

This issues with approval of Competent Authority.
